Been trappin' throughout the whole summer

Been trappin' throughout the whole summer  
Can't wait to pull up in the Hummer  
Can't trust any bitch with my number  
I'm trappy on wheels I burn rubber  
She's takin' my wood, this is lumber  
These bruddas move dumber and dumber  
I'm tryna harvest like a farmer  
I got a beard like Osama  
Cologne, that's Aqua de Parma  
Still firmly believe in the karma  
These bruddas weren't here for my come up  
His wifey right there, she got touch up  
This weed is so Chris, it's so Tucker  
Against my own people Like ruckus  
Yeah, yeah, uncle ruckus  
If you ain't with me, then fuck 'em  
If they ain't with me, then fuck 'em  
I grew with a few of these guys  
A few of these guys and yeah, they turned suckers  
I do not fuck with no busters  
I got the sauce, yeah the mustard  
I got my bottoms all red like a baboon  
The fur on my neck, that be racoon  
They see me, they movin' all statue  
Finessed on the pack man, I had to  
I tell 'em don't judge me, the trap is so runny  
The tap is still runny, my guy got that water  
My niggas dem love me  
They jealous they screamin' my guvvi  
They busy, they doin' up lovey  
I'm bussin my nut, you can't stop me  
The feds try to take all my property  
But they can't enter my property  
Surrounded by friends that be hatin'  
Theres blocks and theres bandos surrounded by poverty  
Ah yeah  
45 packs under the mats  
We took a loss, we made it all back  
We sat on some profit, I'm grinnin' at that  
Im watchin' for feds, they be leanin' on man  
I'm watchin' my bredrins, they schemin' on man  
Oh yeah, schemin' on man

Come up, come up

We didn't have time for a turn up  
We grindin' from night 'til the sun up  
We grindin' from night 'til the sun up  
Uh, come up, come up  
We didn't have time for a turn up  
We grindin' from night 'til the sun up

Wavy, ocean (ooh, splash)  
This water makes me nauseous, yeah  
I couldn't give a fuck 'bout these roaches  
I'm preein', I'm scopin'  
I don't make new friends, yeah, that ain't me  
In the club wearin' a plain tee  
I pull up to feds, tell 'em race me  
I move like Tyrese, I be waist deep  
Bad bitch outside, yeah, yeah, she feisty  
Young boy, he's too lazy  
I'm cruisin', I'm drivin' a big whip  
Uh, I'm drivin' a Rangey  
Woah, I see her watchin'  
Uh, shes out of my Rangey

Come up, come up  
We didn't have time for a turn up  
We grindin' from night 'til the sun up  
We grindin' from night 'til the sun up

We grindin' from night 'til the sun up
