

Conspiracy Charges

M Huncho

Ayo, it's your boy KD from the jailhouse
Been away for a minute (That's Chucks), but, Insh'Allah, soon touch back
You know, they got me away on a little mu3amara
The sweet took them from the jungle, you know?
Free the guys a hundred times, yeah

You know what's worse than charges?
Conspiracy charges (That's facts)
Creasin' up the dotty on the couch (Couch)

Weapon on my shit, it's with me for comfort
Packs in the dust bin and I like one tings
I don't like to punch in, cash in abundance
Bungees, they jumpin', G'd up for functions
We love the bamba, big spliffs, I rass it
No bunk beds in caskets, pain but I mask it (Mask it)
Rain was a fountain, wrist, water, ocean
Still there ain't no closure
They try come expose me, but God came and exposed them
Trials and tribulations, strapped up like a surgeon (Many, many spins)

You know what's worse than charges? (What's that?)
Conspiracy charges (Damn right)
Creasin' up the dotty on the couch (Couch)
Tryna fill in the cartridge (Oh, oh)
You know what's worse than charges? (Charges)
Conspiracy charges (Yeah)

My brother just got twenty-five years, I don't even know how he's gonna mask
it (How he's gonna mask it)
Corner boy Hunch', straight from North West Brent borough and they know I'm
'bout it (North West baby, yeah)
Welcome to the chapter of my life where the police on my case, I'm tryna dodge
it (Tryna dodge it, yeah)
Welcome to the chapter called, "Entitled," now I gotta dodge them
I had trap sheets before rap sheets, baby
Crack fiends before the rap shit, oh
Days in courts, but we ain't athletes, oh
Wanna smile, but it's mad grief, oh
I don't get mad, I just get even (Even)
So on the block, they call me Steven
Overachiever, underachievin', back on my street shit
Clique full of teeth in, yeah
I'll tell you once, I can't tell you twice (No way)
Fuck around and find out (Fuck around and find out)
Fuck around and find out (Fuck around and find out)
Fuck around, your lights out (Fuck around, your lights out)
General in my town (General in my town)
I'm the king in my town (I'm the king in my town)
I'm the king in my town

Mm-hmm, mm-hmm
Mm-hmm, mm-hmm
Mm-hmm, oh-oh
