

# Doomsday

M Huncho

(Quincytellem)

Who done spoke?

Don't light the fire, you ain't ready for the smoke  
When I retire is when this game becomes a joke  
And I conspired to sell drugs 'cause I was broke  
And I carried me a snub and not a poke, ah yeah  
Ah yeah, ah yeah  
Ah yeah  
Ah yeah, ah yeah

Many years later, now they wanna know  
I got way less love than I have shown  
And I guess it's just a part of being grown, ah yeah  
First-class tickets, now I'm cruising on a Boeing, ah yeah  
Thinking that I got a choice to make, yeah, hell or heaven  
Sitting in my house all alone like I'm Kevin  
Can't call it a home if it's got nobody in it  
Can't even take no breaks until that I am finished, till I'm done  
Still going on strong  
Still rolling up dough like a dumpling, won ton  
And I think I've probably moved enough, one tonne  
And I can just say that this shit ain't worth none, nah, it ain't worth none

Steady  
Billin'  
Zeggays  
Ooh  
Speakers  
Playin'  
Reggae  
Ooh

Shorts on  
High socks  
Ese  
Ooh  
Lucien  
Sent these  
Shoes  
Ooh

Mask on  
Face  
MF Doom  
Hella smoke  
In this room  
I can't leave  
It's too soon  
Carats on me  
Looney Tunes

Don't light the fire, you ain't ready for the smoke  
When I retire is when this game becomes a joke  
And I conspired to sell drugs 'cause I was broke  
And I carried me a snub and not a poke, ah yeah

Ah yeah, ah yeah  
Ah yeah  
Ah yeah, ah yeah

Chasing euphoria, came from utopia  
VVS glorious, so I'm ignoring ya  
They didn't help me through my dark times, through my dark times  
In the kitchen sitting down, going through some hard times  
In a foreign whip and I'm a foreigner  
Police see me cruising, they love to follow us  
They say we got the guns, they say we got the drugs  
But they keep locking us, they keep harassing us  
We made some millions  
North-west like Mlllionz, I aim for billions  
Flex on all these pussies till they're furious  
Let them be furious, I'm still ignoring ya

Don't light the fire, you ain't ready for the smoke  
When I retire is when this game becomes a joke  
And I conspired to sell drugs 'cause I was broke  
And I carried me a snub and not a poke, ah yeah  
Ah yeah, ah yeah  
Ah yeah  
Ah yeah, ah yeah
