M Huncho

Yeah, yeah, yeah  
Quincy Tellem  
Yeah, yeah, yeah, yeah, yeah (Lean)

I told my brothers that now I'm a superstar  
That doesn't mean I won't buy you machines (Bow, bow)  
Gettin' this money, it gives me a sugar rush  
Think I'm diabetic, I got all this cream  
Treated my brother like he is my mama's child, ah  
Too late to reconcile, ah  
It made me the bigger man  
Now I'm Wraiths, I count all these stacks of cream

Recline, I lean, my bitch, Celine  
The Louis, the V, my life, supreme  
I work, they dream, I count, they scheme  
I spend, they pree, the ice VVs

Packin' my bags (Packin' my bags), I'm 'bout to fly overseas (Fly, fly)  
Run up a tab-tab, send the accountant receipts (Receipts)  
Cash rules everything around me, cream  
Drop is so clean, clean, clean  
I got a bitch with Celine dreams  
She fell in love with the CC  
Louis bandanas, we put 'round the hammer  
Might buy a stick in Atlanta  
We do not do this for camera, no  
Fuck all the glitz and the glamour  
Fuck the glamour, been in the bandos, still a trapper  
Fitted caps, but you know we ain't cappers  
In the Maybach, the feeling's ecstatic

Recline, I lean, my bitch, Celine  
The Louis, the V, my life, supreme  
I work, they dream, I count, they scheme  
I spend, they pree, the ice VVs

This time out, you're back to frontin'  
You're inside out (Inside out)  
Yeah, I'm back to stuntin', I been flyin' out  
Yeah, I'm in my bag, I win by miles (Yeah)  
That big lad knows, it's been my house  
I'm in the spot, it's filled with clowns (Clowns)  
Yeah, I'm in the cut, I don't like crowds  
Yeah, my ting turn up, my ting quite foul  
Yeah, just left Dubai, that's sixty-five  
I'm chilled out, I'm in New York, sat inside Tao (Tao)  
Yeah, met this new bitch, it seems like trial (Haha)  
Yeah, she seems quite wild, I think she growl (Rrra)  
Yeah, I been outside, my ting go blaow (Blaow)  
Nah, fuck that bitch, that bitch played out (Yeah)  
Didn't mean to say that, it just came out (Mmm)  
That crib paid off, the shit's laid out  
Yeah, I'm straight from Peckham, but just say South

Recline, I lean, my bitch, Celine  
The Louis, the V, my life supreme

I work, they dream, I count, they scheme  
I spend, they pree, the ice VVs
