

# Let It Burn

M Huncho

Didn't get that shit back  
Oh yeah, yeah, oh, yeah

Gave them all the love they wanted, but I didn't get that shit back, no hear  
t in return  
What's the money mean if I got no one that loves me back?  
Man, I let this money burn  
Let it burn, let it burn, let it burn, let it burn  
Man, I let this money burn  
Let it burn, let it burn, let it burn, let it burn  
Man, I let this money—

I still showed you real love when I was conflicted  
Still got real love for my brothers in the system  
In my times of need, yeah, I stayed independent  
When they ask me what I do, I always say it's logistics  
Feed the streets until they couldn't feed me no more  
Still in love with the streets, but they don't love me no more  
Promised Mommy, we ain't goin' hungry no more  
But she still thinks that I'm a lost cause, and I  
Ask for guidance, ask for help, ask for forgiveness  
All the guns and drugs really put my guys in prison  
Smokin' on this Cali to get lifted, I'm addicted  
And it makes me numb to all the love that I've been missin', oh, yeah, yeah,  
yeah

Gave them all the love they wanted, but I didn't get that shit back, no hear  
t in return  
What's the money mean if I got no one that loves me back?  
Man, I let this money burn  
Let it burn, let it burn, let it burn, let it burn (Let it burn)  
Man, I let this money burn  
Let it burn, let it burn (Let it burn), let it burn, let it burn (Let it bur  
n)  
Man, I let this money (Burn)

Man, I let this money burn, it won't bring back those who lost  
Did it all, but at a cost, ooh  
Man, I let this money burn  
I might burn another bridge, and I hope it ain't my turn (No)  
Earned my respect 'cause I'm stubborn and I didn't want no handouts (No)  
These roads are a mirage  
There's no rainbow at the end, there's no water in the desert  
Money can't buy no friends  
Life got frontier from the trench, but they didn't give no help  
When I was down and I was out, and I got nothin' for all of those around, oo  
h  
But I still gave you back  
All them solo nights, yeah, I still gave back  
All them crackstones, now, my pen game's crack  
Old friends really turned around and came back  
Just to check on me, but I knew it's all cap  
Where's the love? Where's the love? Where's the love?

Gave them all the love they wanted, but I didn't get that shit back, no hear  
t in return  
What's the money mean if I got no one that loves me back?

Man, I let this money burn  
Let it burn, let it burn, let it burn, let it burn (Let it burn)  
Man, I let this money burn  
Let it burn, let it burn (Let it burn), let it burn, let it burn (Let it burn)  
Man, I let this money (Burn)
