

# Regret

M Huncho

These niggas they're regret, we show them nothing but love  
I was walking on the main road with a couple of Z's in the rug  
I love the fact that we made it, man we're straight from the mud  
Yeah we're straight mud and my cups full of much  
Show no love to no guv  
Milky yeah he's my bro  
So so out doing the running man, my wrist empty need some rubber bands, had  
a really bad summer man  
Winter time need to chase the grands  
Winter time need to chase the grands

I've had enough of these fakers  
I've had enough of the fake love  
All you guys from the other side you touch my bro that can never slide  
We ain't a guy we a family right  
My Griffiths touch all my family guys

These bruddas they don't know about cunch cunch

Sipping bubbles with the power path
