M Huncho

Put my bro's over money
Seeing brudda's moving funny
All of them said they love me
I ain't in it all the fuckery's
I put money over hoes
Take the pipe and go home
Take the pipe and go home
Take the pipe and go home
Stop stepping out of line
Young bulls, they active
Real hitters not chat shit
I put eight on my coat, then eight in my mums crib
Feds be [?] had to dump it
In my spare time go studio, find a beat and I'll slump it
Some days fatigue, yeah I'm come quick, ahh
Residue in my nails, spliff in my mouth
Pigs on my tail, she's going south to fix up he hair
I'm in the car with the greenness and kel
They want me to fall, but no I don't fail
My friends in the can, I'm sending some mail
Put on remand and we don't get bail
I'm going in wide and coming on frowns
I just do up no tell
Where were these guys, when I stumbled and fell?
Where were these guys, when I was stuck in the cells?
I'm wishing for things, I'm taking the quiz, I had a well, yeah

This life is not easy babe, the feds know I'm guilty babe
Getting money I'm repeating babe, yeah I'm repeating babe
I need a pretty lady, I win my case, cause I got no face
Yeah but I'm pumpy babe, this spliff is so stinky babe
This life is not easy babe, the feds know I'm guilty babe
Getting money I'm repeating babe, yeah I'm repeating babe
I need a pretty lady, I win my case, cause I got no face
Yeah but I'm pumpy babe, this spliff is so stinky babe
(Yeah but I'm pumpy babe, this spliff is so stinky babe)

Batch up the ting, your getting clingy babe
Go and praise it, go and praise it
Yeah, I'm going crazy, yeah, I'm going crazy, yeah
