

(Cage got that cold)
I've been cooking
They ask me what I've been cooking, here's what I tell them

Yeah, risotto (Yeah, yeah)
Still goin' gigs with the hollows (Hollows)
Leaders around me, no followers (Nah)
Only pray that we're seein' tomorrow
One thing that I hate is the borrowers
'Cause they never give back what they borrow
We ain't in this just to be amateurs (Amateurs)
When you're patient, then everything follows (Follows)

Told that bitch that she can leave, treat her like she average (Average)
Life is all about balance (Balance)
Accounts look good with balance (Balance)
Smoke weed and that's a bad habit (Habit)
And I say that I'm gonna quit (Quit)
But I never follow up, it's tragic (Tragic)
'Cause I like how high I get
I had heartbreak, still thinkin' 'bout them calm days
KidSuper mixed with Palm Ange'
Been real since my born day, my neighbours don't know
I wasn't pick of the litter, you know
This AP's plain, but my necklace is froze
Conductin' my business, but not on phone
They're wishin' that I was in [?], I know (I know)
Misfortunes I've been through, I know (I know)
These feelings I don't like to show (Show)
These feelings you don't wanna know (You don't wanna know)
I'm stuck in this world on my own
I don't wanna stay and I don't wanna go (I don't wanna stay and I don't wann
a go)
I don't wanna stay and I don't wanna go

Risotto (Yeah, yeah)
Still goin' gigs with the hollows (Hollows)
Leaders around me, no followers (Nah)
Only pray that we're seein' tomorrow
One thing that I hate is the borrowers
'Cause they never give back what they borrow
We ain't in this just to be amateurs (Amateurs)
When you're patient, then everything follows (Follows)

Drop a cool twenty in Louis, my name is Vuitton (It's Vuitton)
Ran into shawty, she singing me all of my songs, it's mad
She whispers to me and she told me she's wearin' no thong, that's crazy
I'm too invested in me, now she's feeling a way (She's feeling a way)
What a shame
Yeah, yeah, yeah
Tell that bitch, "Don't gaslight me"
Ain't 'bout money, then it's all Chinese
If I shine, we're all shining
Six is up and it won't stop, yeah
Rocks on me, I'm rock climbing (Yeah, yeah, yeah)
Get home late, make Indomie

Martine Rose I put on me
They wake up broke and then go back sleep
If I woke up broke, I don't think I'd sleep
50K for a verse I seen
Turned that down 'cause I ain't that cheap
