M Huncho

Put the money in the pot, yeah
Ayy, ayy, look, look

These people they mention
I'm workin' on bigger things
Don't give me no tension
I'm into the money tings
No fuckin' with bummy tings
Allergic to those geezers
People talk funny things
Take off my ice from givin' my mother a new freezer
No teasers, old school days
Roundhouse packed, no teasers
You workers, no Visas
Uh, yeah
Cheese note, and no pizza, yeah
Jessabelle, she a full skeezer
Uh, sorry, officer, I can't remember either (no, no)
Interview room, givin' out, mans said it's no ether (no, no)
Gold man actin' like divas
Band dizzy, I'm around needles
Band dizzy, wearin' all Diesel
Trap busy, smokin' on diesel
Trap busy, still illegal
Uh, trap's busy, yeah, we all legal
Uh, got the birds and we fly eagles
Uh, yeah, we got the birds and we fly eagles
For my locked brothers waitin' on freedom
Uh, man the league's on, see you next season
Uh, man, the flow's cold, I'm so Sweden
Keep a short shank that I call Freeman
Look, get a bird, come and let it fly
Look, I was in the wrong, now I get it right
Couple misdemeanors and I let them slide
Used to fly at night, aw yeah, now I'm gettin' sky

Uh, we ain't gotta try
Uh, we ain't gotta try
We ain't gotta try
We ain't gotta try
