

VIBE (Interlude)

M Huncho

I vibe with this shit

I vibe with this shit

Vibe (Vibe, vibe, vibe)

Ten summers on the road, I'm tryna survive in this shit (Survive)

Haven't cheat quite a lot because I kept on puttin' my mind to this shit

I'm buildin' up wealth for my kids, 'cause I put my mind to this shit (Err, err)

I vibe with this shit

Vibe (Vibe, vibe), vibe

Ten summers on the road, I'm tryna survive in this shit (Survive)

Haven't cheat quite a lot because I kept on puttin' my mind to this shit

I'm buildin' up wealth for my kids, 'cause I put my mind to this shit

My momma told me that I'm blessed (You blessed)

Thank you, momma

She also told me, "It's a test"

Thank you, momma

Man, I always gave her stress

I'm sorry, momma

Gave more and took less

Guess it's part of the success

Sometimes I guess less is more

I ain't out to impress

My hustle, my watch is irregular

Ain't anywhere with no Mitchell & Ness

Perfectionist, anonymous

Genius, misogynist

Criminal, activist

These names that I've heard

Meanwhile I'm kickin' shit like I am kickin' a turd (Kick)

I got me a trophy, just sittin' at home

I guess I done more than to spazz

My momma told me that blessed me

So go and get married, and get me some kids

I told her, "I'm in a good space at the moments

Let me keep fuckin' on beats"

When I'm content, I will just disappear

Get a jet, hit the clouds (Clouds, clouds, clouds)

Vibe

(That's Chucks)

Err, err
