

## Armour

M.I.A.

I'm a prayer  
Living a life of favour  
I'm a fire  
Hallelujah  
I'm a curse breaker  
A woman of war, a warrior  
No more fear  
Hallelujah

Every battle I face, I'm a winner  
Set fire to the worries, I'm a burner  
No surrender  
Put on God's armour  
I can withstand Satan's power  
I got angels watching me, every corner, undercover  
With swords of fire

Fire, fire, fire, fire, catch a fire, run  
Fire, fire, fire, fire, holy fire, run  
Fire  
Put on God's armour  
Fire, fire, fire, fire, catch a fire, run  
Fire, fire, fire, fire, holy fire, run  
Fire  
Put on God's armour

I won  
The Holy Spirit sings  
The angels with the wings  
And the holy water dripping when I drink it from the spring  
And Jesus is King  
He's got anointing  
When I'm on my knees, He washes all my sins  
Holy Spirit sings  
The angels with the wings  
And the holy water dripping when I drink it from the spring  
Jesus is King  
He's got anointing  
Praying on my knees, He washes all my sins

I guess I got a story  
'Bout when the Lord saved me  
I felt glory  
I felt glory  
I set fire to all my worry  
My past no longer holds me  
I say "Victory!"  
He's so good to me

I never knew what is for me  
Walking in glory  
I never knew what is for me  
Till truth set me free

Fire, fire, fire, fire, catch a fire, run  
Fire, fire, fire, fire, holy fire, run  
Fire

Put on God's armour  
Fire, fire, fire, fire, catch a fire, run  
Fire, fire, fire, fire, holy fire, run  
Fire  
Put on God's armour

Love my son like I'm Mary  
Past the gun and the fury to victory  
I say glory  
Evil don't control me  
The presence of God, please don't leave me  
He's good to me  
I say glory

I never knew what is for me  
Walking in glory  
I never knew what is for me  
Till truth set me free
