Brown girl, brown girl Turn your shit down You know America don't wanna hear your sound Boom boom jungle music Go back to India With your crazy shit, you're bumming up the area Looking through your Instagram Looking for a pentagram All I see is poor people, they should be on ghetto-gram You don't get our underground Brofist or overground fist pump Eat ham or even throw your dick around Yeah you try to stick around Do you do your bikram? Let you into Super Bowl, you tried to steal Madonna's crown What the fuck you on about? Think about goin to France, quelle heure est-il This ain't time for your terror dance Eat, pray, love Spend time in the Ashram Or I'll drone you Kony 2012 Now scram! (Boom boom shakalaka) x12
