

# CALLING

M.I.A.

Go beyond rivers and oceans  
Follow the waves  
I'll see you there  
Go beyond valleys and mountain tops  
Follow the waves  
I'll see you there

Go beyond rivers and oceans  
Follow the waves  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there

I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there

I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there

I've been in a cage before  
I'll see you there  
I've seen angels open cell doors  
I'll see you there  
I've seen prison walls fall  
I'll see you there  
And Satan's not bigger than God  
I'll see you there

Oh  
I'll see you there  
Ooh  
I'll see you there  
Ah  
I'll see you there  
Oh  
I'll see you there

The race is not to the fastest  
The richest or strongest or the poor  
Nor to the divine or purest  
Everyone is given their go

Far from home things I used to know  
People I knew know me no more  
That's where God kept me to make me grow  
To be the one that understands this war

Oh  
I'll see you there  
Ooh  
I'll see you there  
Ah  
I'll see you there  
Oh  
I'll see you there

They already know where to go  
And 1000s will follow  
Until I get there  
Please don't close the door  
I'm not the only one  
There's many more

Oh  
I'll see you there  
Ooh  
I'll see you there  
Ah  
I'll see you there  
Oh  
I'll see you there

I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there

I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there  
I'll see you there
