

EVERYTHING

M.I.A.

All of my life
All of my life
All of my life
All of my life

All of my love, all of my praise
All of my life and all of my grace
He showed me his face, met me in every place
He led me out the dark of every single maze
I turn another page, I'm breaking out the cage
I'm turning every stage into a holy rampage
The wars, the enemy wage, they gonna pay
And god is gonna fill my spiritual cashe

'Cause I don't look for the bag it's the giver I chase
Like a thief in the night, he gon' delivery my case
'Cause I don't look for the bag it's the giver I chase
Like a thief in the night, he gon' delivery my case

No, I won't live in sorrow, money, I won't borrow
I will be blessed in all of my tomorrow
No tears to swallow, no fears to make me wallow
Joy is gonna grow in my kingdom and my borough

All of my love
All of my love
All of my love
All of my love

This hella real but the devil real fake
The world will tremble if you fall for the snake
God does have a cape, that's not a cap
He gave me an armour, truth and fact
That devil's got a grip, I'd give it a slip
Every script he writes, I'ma finna flip
God's economy, I'ma do it big
He's really good saver, he teach me the gig

'Cause I don't look for the bag it's the giver I chase
Like a thief in the night, he gon' delivery my case
'Cause I don't look for the bag it's the giver I chase
Like a thief in the night, he gon' delivery my case

No, I won't live in sorrow, money, I won't borrow
I will be blessed in all of my tomorrow
No tears to swallow, no fears to make me wallow
Joy is gonna grow in my kingdom and my borough

All of my love
All of my love
All of my love
All of my love
