

# Talk

M.I.A.

Big event million spent  
What you stand for that's relevant  
Tweet tweet read read watch again  
Me me me is what you vent  
Nothing really changed since you been top ten  
All in the streets are hungry, man  
You don't give us what we need then  
We gonna get hot and hit the bend  
This you send  
Click again  
Kick me down and I'm back again  
Gonna fight pen with my pen  
I fire that round till you stop the trend

I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk talk talk talk

This system has to come  
With way better shit than racism  
Hatism or Hate Islam  
Better check up on the baptism  
If you don't give a fuck that's skepticism  
If you do give a shit that's whack to some  
If you got a brain let's practice em  
Is it tic for tac  
Getting back at em  
Here we come here we come  
Dance on the street like I hit a drum  
Here we come here we come  
Dance on the street like I hit a drum

I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk talk talk talk

Year to year I say yeah yeah  
In warrior mode there nothing to fear  
Ebola scare or a bomb scare  
It's the same shit just hit and share

I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk and talk until I piss em off  
I talk talk talk talk
