

# Trouble Again

M.I.A.

Uh, oh, ah you're in trouble  
I step up in the game and I burst that bubble  
Uh, oh, ah you're in trouble  
I step up in the game and I burst that bubble  
Uh, oh, ah you're in trouble  
I step up in the game and I burst that bubble  
Uh, oh, ah you're in trouble  
I step up in the game and I burst that bubble

Bought up a baby in a bandana  
I boarded a Boeing eating a banana  
Bounce on the bed  
Battling with heads  
It's based on a story that nobody read

People see me as trouble, see me, see me as trouble  
People see me as trouble, see me, see me as trouble  
Cause I got a reputation  
Got a, got a reputation  
And I got a reputation  
Got a, got a reputation

People see me as trouble, see me, see me as trouble  
People see me as trouble, see me, see me as trouble  
Cause I got a reputation  
Got a, got a reputation  
And I got a reputation  
Got a, got a reputation

Played in the park  
Packed with piranhas  
I jump in a puddle  
Singing nirvana  
Passed by the past and I end at the start  
Now I'm living the life and I'm gonna raise the bar

Do you know my name?  
Do you know my number?  
Do you know by summer I will make you a member?  
I know you're busy running round with Linda  
If I don't get you now then I'll get you by December  
You're dancing styles outdated like tinga  
It's just a cat, mami snap your finger  
I drift in deserts from bumper to bumper  
We can rock a dress or we can rock a jumper  
You want that pain so I set you on fire  
These girls are high but I take you lot higher  
So get your beer, it's tiger or corona  
We throw up heat like a bunsen burner

You know my badman style  
Cause I'm from Lanka  
Eat up a falafel  
Say danke danke  
If I'm in Street Fighter  
I'll be more like Blanka  
Roll like a ball and I'll bleed you like a banka

Do you know my name, name, name, name, name, name?

M.I.A.
