Måneskin

Welcome to the city of lies  
Where everything's got a price  
It's gonna be your new favorite place  
You can be a movie star  
And get everything you want  
Just put some plastic on your face

This place is a circus  
You just see the surface  
They cover shit under the rug  
You can't see they're faking  
They'll never be naked  
Just fill your drink  
With tonic gin  
This is the American dream, so

Sip  
The gossip  
Drink 'til you choke  
Sip  
The gossip  
Burn down your throat  
You're not iconic  
You are just like them all  
Don't act like you don't know  
So sip  
The gossip  
Drink 'til you choke  
Sip  
The gossip  
Burn down your throat  
You're not iconic  
You are just like them all  
Don't act like you don't know

Keep drinking and acting cool  
Don't care if your day is blue  
Nobody loves a gloomy face, just  
Take your pills and dance all night  
Don't think at all, that's the advice  
So c'mon let's try, it's just a taste

This place is a circus  
You just see the surface  
They cover shit under the rug  
You can't see they're faking
