

# Let's Get It Started

Måneskin

In this context, there's no disrespect  
So when I bust my rhyme, you break your necks  
We got five minutes for us to disconnect  
From all intellect collect the rhythm effect

Obstacles are inefficient, follow your intuition  
Free your inner soul and break away from tradition  
Coz when we beat out, girl it's pullin' without  
You wouldn't believe how we wow shit out  
Burn it till it's burned out  
Turn it till it's turned out  
Act up from north, west, east, south

'Cause everybody, everybody  
Just get into it and get stupid  
Get it started, get it started, get it started, get it started  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started here  
Let's get it started (ha), let's get it started in here

So lose control, of body and soul  
Don't move too fast, people, just take it slow  
Don't get ahead, just jump into it  
Y'all hear about it, the Peas'll do it

And get stutted, and get stupid  
You'll want me body people will walk you through it  
Step by step, like you're into new kid  
Inch by inch with the new solution  
They transmit hits, with no delusion  
The feeling's irresistible and that's how we movin' so

Everybody, everybody  
Let's get into it and get stupid  
Get it started, get it started, get it started  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started here  
Let's get it started (ha), let's get it started in here, yeah

Let's get ill, that's the deal  
At the gate, we'll bring the bud top drill (just)  
Lose your mind this is the time  
Y'all test this drill, just and bang your spine (just)  
Bob your head like me APL de  
Up inside your club or in your Bentley  
So get messy, loud and sick  
Y'all mount past slow mo in another head trip (so)  
Come then now do not correct it  
So let's get ignant let's get hectic

And everybody, everybody  
Just get into it and get stupid  
Get it started, get it started, get it started  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here

Let's get it started (ha), let's get it started here  
Let's get it started (ha), let's get it started in here oh yeah
