

# Supermodel

Måneskin

Alone at parties in a deadly silhouette  
She loves the cocaine but cocaine don't love her back  
When she's upset she talks to "Maury" and takes deep breaths  
She's a 90s supermodel  
Way back in high school when she was a good Christian  
I used to know her but she's got a new best friend  
A drag queen named the Virgin Mary takes confessions  
She's a 90s supermodel

Yeah, she's a master  
My compliments  
If you wanna love her  
Just deal with that  
She'll never love you  
More than money and cigarettes  
Every night's a heartbreak

Hey, don't think about it  
Hey, just let it go  
'Cause her boyfriend is the rock-and-roll  
Savor every moment  
'Til she has to go  
'Cause her boyfriend is the rock-and-roll

Alone at parties  
She's working around the clock  
When you're not looking she's stealing your Basquiat  
Low-waisted pants on OnlyFans  
I'll pay for that  
She's a 90s supermodel

Yeah, she's a master  
My compliments  
If you wanna love her  
Just deal with that  
She'll never love you  
You just look a bit like her dad  
Every night's a heartbreak

Hey, don't think about it  
Hey, just let it go  
'Cause her boyfriend is the rock and roll  
Savor every moment  
'Til she has to go  
'Cause her boyfriend is the rock and roll

Yeah  
She's a 90s supermodel
