Run up to the award show air out the carpet (Come on)

Murder every DJ spinnin that garbage

Via satellite while America's watchin

Every artist on the carpet is a target

Real nigga shit 'round to the mosh pit

Counter clockwise, waving the masses

Show up at the office while you havin a conference

Deliver that Rambo to all of your sponsors

Groupies can get it too, for suckin the dick of a nigga

That got mo' bitch in 'em than you

(And you) Part of the problem I'll tie you to the back of the 'lac

And drag yo' ass by your Red Bottoms
