

# Ain't Got Time

M.O

Baby, when you see me, oh  
I know you see me, oh  
You hope you see me, oh  
Think you should know  
I'm letting go

I ain't got time to worry about people that don't worry about me  
And I ain't got time to listen to people that don't listen to me  
I ain't got time to care about people that don't care about me  
So that's the reason why I can't  
Now is it so hard to understand?

Not one moment of that day goes by  
When I thought of you, it doesn't cross my mind  
'Cause if I'm thinkin' 'bout you  
You must be more than just a friend to me  
That is the truth  
That means you're not the enemy  
We just do what we do  
Stay true and we will always be  
Tight for life, that's right

I ain't got time to worry about people that don't worry about me  
And I ain't got time to listen to people that don't listen to me  
I ain't got time to care about people that don't care about me  
So that's the reason why I can't  
Now is it so hard to understand?

I never really understood  
When I called, you ignored, locked your door, never saw ya  
Never saw ya, never saw ya, no  
So good, so good, so good, oh look  
Now I'm not talkin' to you but you wanna know more  
Wanna know more, wanna know more, no

I ain't got time to worry about people that don't worry about me  
And I ain't got time to listen to people that don't listen to me  
I ain't got time to care about people that don't care about me  
So that's the reason why I can't  
Now is it so hard to understand?

How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go

How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go  
How'd you get so low? You gotta go, baby let go

I ain't got time to worry about people that don't worry about me  
And I ain't got time to listen to people that don't listen to me  
I ain't got time to care about people that don't care about me  
So that's the reason why I can't  
Now is it so hard to understand?

I ain't got time to worry about people that don't worry about me  
And I ain't got time to listen to people that don't listen to me  
I ain't got time to care about people that don't care about me  
So that's the reason why I can't  
Now is it so hard to understand?
