

HOT

M.O

Hot like fire, hot like a flame
Hotter than hot, I'm tired of these games
Hot like fire, hot like a flame
Hotter than hot, I'm tired of these games

Walked in, saw you kissing one another
Eat it up cause I didn't need the drama
Not once, but three times over
I don't think you can get any lower

And so I wash my hands of him
His bags are burning in the bin
Cause all he does is cheat and sin
So now he's got me mad and I'm...

When you played with her
You murdered us both
I knew that you were
But you lied under oath
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot

(You think you're so)

Hot like fire, hot like a flame
Hotter than hot, I'm tired of these games
Hot like fire, hot like a flame
Hotter than hot, I'm tired of these games

No more, I can't take any longer
Of your nonsense boy, you know that it's over
Now you're crying, now you're crying on the sofa
Same sofa, that you eff'ed me over

(Hot like fire, hot...)

So I wash my hands of him
His bags are burning in the bin
(Hot like fire, hot...)
Cause all he does it cheat and sin
So, now he's got me mad and I'm...

When you played with her
You murdered us both
I knew that you were
But you lied under oath
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot

You can beg me, and beg me to stay, I
But your hands are dirty
You're so stupid to think I would stay
Can't walk all over me
I believed it, I believed it
I was blind, I was blind
I was blind, I was blind
And I believed it, I believed it
I was blind, I was blind
I was blind, I was blind

When you played with her
You murdered us both
I knew that you were
But you lied under oath
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot
You think you're so hot
Hot, hot, hot, hot, hot, hot
Hot, hot, hot, hot, hot, hot
