

Man Enuff

M.O

So what if I walk like this? If I talk like this, it just is what it is
So what if I flip my hair? And you always stare, baby I don't care
So what if I hold it down? I know who I am, don't you understand?
I don't care, you keep talkin', don't expect nothin'

I don't wanna sound like I'm being rude
But boy I won't be crying over you
Oh I opened up, I put my trust in you
So if you know, you've got nothin' to lose

Want all my girls keep it real with me
That boy ain't man enough
He fools around 'cause he don't love you
Want all my girls keep it real with me
Before you tear it up
That boy ain't man enough, say that boy ain't man enough for me, for me
Ain't man enough for me
Want all my girls keep it real with me
That boy ain't man enough for me, for me
Ain't man enough for me
Want all my girls keep it real with me, that boy ain't man enough for me

So what if I stay out late? 'Less I keep it straight, I communicate
So what if I don't high heels? This is how I feel, it ain't no big deal
So what if I wanna have fun? 'Cause in the long run I'm a number one
Don't take it personal, I got mine, I got my game

I don't wanna sound like I'm being rude
But boy I won't be cryin' over you
Oh I opened up I put my trust in you
So if you know, you've got nothin' to lose

Want all my girls keep it real with me
That boy ain't man enough
He fools around 'cause he don't love you
Want all my girls keep it real with me
Before you tear it up
That boy ain't man enough, say that boy ain't man enough for me, for me
Ain't man enough for me
Want all my girls keep it real with me
That boy ain't man enough for me, for me
Ain't man enough for me
Want all my girls keep it real with me, that boy ain't man enough for me

Gotta go hard, or you go home
Gotta get yo' ass up out that door
Gotta go hard, or go you go home
Gotta get yo' ass up out that door
Gotta go hard, or you go home
Gotta get yo' ass up out that door
Gotta go hard, or go you go home
Gotta get yo' ass up out that door

Don't need a guy that only likes me with my make up
Be there for me every morning when I wake up
So you gotta show me what you can be
Yeah can you guarantee?

Let me see, 'cause you gotta be there

Want all my girls keep it real with me

Want all my girls keep it real with me

That boy ain't man enough, say that boy ain't man enough for me, for me

Ain't man enough for me

Want all my girls keep it real with me

That boy ain't man enough for me, for me

Ain't man enough for me

Want all my girls keep it real with me, that boy ain't man enough for me

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door

Gotta go hard, or you go home

Gotta get yo' ass up out that door
