

Why Do You Cry?

M. Pokora

I hate to see you like this
You should be with me
If he don't make you happy
Listen

She sits all alone
With a face full of tears
Coz she never thought that she would
Go through this is a million years no

He comes and goes
As he pleases
It's so
Unfair to her
But she don't know where to turn

Haven't you had enough
Of all the fightin'
Baby that's just not love
Can't stand to see you crying

So tell me why...

Why do you cry
Baby you should just turn away
If he won't do right tell me
Why do you cry
Baby it's a shame
I feel your pain
But I don't wanna see you cry

The tears drop on your pillow
At night
And I don't wanna see
I don't wanna see you
She's... not... one... more...
Why do you stick around
When all this could be yours haven't...

Haven't you had enough
Of all the fightin'
Baby that's just not love
Can't stand to see you crying

So tell me why...

Why do you cry
Baby you should just turn away
If he won't do right tell me
Why do you cry
Baby it's a shame
I feel your pain
But I don't wanna see you cry

I don't wanna see you cry
I don't wanna see you cry
I don't wanna see you cry

So tell me why...

Why do you cry
Baby you should just turn away
If he won't do right tell me
Why do you cry
Baby it's a shame
I feel your pain
But I don't wanna see you cry

Baby you should just turn away
If he won't do right tell me
Why do you cry
Baby it's a shame
I feel your pain
But I don't wanna see you cry
