

Love Me

M Row

(Give me a run for my money)
(There is nobody, no one to outrun me)
(Messiah)
(Give me a run for my money)
(Sippin' bubbly, feelin' lovely, livin' lovely)
(Just love me)
(Love me)
(Love me)

I do everything that I can just to make you accept me and (Love me)
When I'm not wit' you I always just miss you, you send me a text like bae do you (Love me)
Under the covers I give you a kiss and I tell you I love, you tell me you (Love me)
We go to sleep and we wake up in front of each other, you always just tell me you (Love me)
I know you was mad when I cheated, you couldn't believe it, you only ain't leave 'cause you (Love me)
You said if I do it again, it's gon' make me not trust you and have me just think you don't (Love me)

I wanna grow our relationship better and be wit' you on a day to day basis
I feel like we don't see each other enough so you think I'm wit' bitches in all different places
People tell us together we both look amazin'
Our 'fits always matchin' whenever we datin'
I swear I done lost everybody I thought was a friend, you the only one here that's remainin'
You told me just love you the right way, I always just try to admit to you whenever I'm wrong
I made a mixtape about you, explainin' how much I love you on all of these songs
There's nowhere I want you to be, but right here wit' me, only right here is where you belong
Every time that you leave me and don't wanna see me I be feelin' real lonely whenever you gone
M Row
I wanna be wit' you as long as you (Love me)
Baby do you (Love me)

I do everything that I can just to make you accept me and (Love me)
When I'm not wit' you I always just miss you, you send me a text like bae do you (Love me)
Under the covers I give you a kiss and I tell you I love, you tell me you (Love me)

We go to sleep and we wake up in front of each other, you always
just tell me you (Love me)
I know you was mad when I cheated, you couldn't believe it, you
only ain't leave 'cause you (Love me)
You said if I do it again, it's gon' make me not trust you and
have me just think you don't (Love me)
