smellin' your fragrance
Like you always just tell me be patient, want you to myself, th

Let me just prove to you that I'm the one that's gon' be here f
orever you know I ain't playin'
Let me pay for your hair and your nails, but just send me the Z
elle for the payment
I'm a put in a memo that this is from M Row, I don't care if yo

Like please let me feel on your body, like it feel real smooth
on your skin
Listen, please let me show how you special and how you supposed
to be treated
You not supposed to be forcin' a nigga to make you feel happy,
don't ever repeat it
Don't even try to explain how you feel in a paragraph to him, j
ust go and delete it
Like, let me just prove I'm the nigga for you and I only want y

Lookin' so good when you get out the shower, like, be lookin' s
o cute when you naked
Like, whenever you ready for me just give me a call, I'll be si
ttin' here waitin'
