

Oh Boy

M Row

She wanna rump, onna...
She said that she loving my voice
You not the one that I want to avoid, but I'm loving your friend, I just want her to join
All-all-all of that arguing shit is annoying, I told you I'm good, but you wanna keep going
I'm not the one you manipulate, let me reciprocate, you know that you very controlling
You mad about bitches I fucked in the past, I was making it clear, so you already know them
Aii-aight bet, think that you trolling, I'ma show you a vibe, you gon see I ain't joking

Like, uh, she wanna rump, told em pass it
Heard that she high how everyone cracked it
My bitch bad, I like how it sit
And when we in public, she gon let me grab it
She get nasty, thumb where her ass is
She throw it back while a nigga backstabbin
Uh, whatever she want, she could have it
She always get wet whenever I bring cash in
Chrome with the ricky, I'm stuntin, only my bitch can park in this McLovin
Flock him, I heard he fell on his nugget
Won't speak on that shit, it's lowkey when we does it
She telling me she want me as her husband
That is a whole different type of discussion
Shoe me some loyalty, then we discuss it
Like, other than that, then it's nothing

Bitch, why would I trust, first time we was linking and you let me fuck you
Like, screaming my name when I touch you
I hate how you act when it's only us two
But it's cool, I won't judge
You was never my bitch, we was never a couple
A-A-After we rump, no laying up, just get dressed, please do not think we could cuddle

If you hold it down, I won't dub you
And no one gon play, even if they want to
De-Deep inside, I'm grabbing on your wig
You screaming, yelling out "KG, I love you"
I said what I said, I don't need no rebuttal
You can't go with that, then you can hit the shuttle
Gotta hit the road, I'll be back in a couple
As long as that figi right, then we can snuggle

Like, freak bitch tryna get closure
Beat it from the back while I'm holding her shoulder
You not kicking no works, so I'ma tell you it's over
Shit hitting for more if it's three years or older
Like, amazing how she bend it over
I always nut quickly when I hit it sober
Freak bitch flexible, think she do yoga
Knew I was on that, but I had to show her

She wanna rump, onna...
