

# Stop Salting

M Row

(Okay, lemme hear somethin', yo, Kezzy)  
(Look  
It's The Reaper, it's The Reaper)

Like, she tryna come have a dance off  
But I want her to come take my pants off  
When I'm done I'ma come put my mans on  
Tap tap, I had to...  
Fuck a fan, then I'm turning my fan on  
Big butt, I'm puttin' my hands on  
Light, flash, I got the cam on  
Damn, damn, damn, damn, back  
I'm having a slap off  
I ain't hit, what you dirtyin' mac for?  
Salt shake, why you do that for?  
Soon as I hit, I throw her off the backboard  
Slam dunk, I'm getting my Shaq on  
Beat it rough, then I'm pulling her tracks off  
If it's pain, I might tell you to back off  
Wait, literally, you better back off

C-Can you be my lil shh? Keep it P, let me make you feel sexy  
I really just wanna uhh, I don't know how to say it directly  
Uhh, been kept it P since you met me, if I hit it once, you gon' never forget me

Black truck everywhere, I'm too presi'  
I move like a pimp, so don't fall for the hesi  
We got to the crib, now she tryna address me  
Oh bet, it's about to get heavy  
She start shaking that shit like it's jelly  
I got a bad lil bitch, her name  
She like, why you so messy?  
I know it's a hit if the beat is by Kezzy  
Like-Like, fanned out, she keep tryna undress me  
If she moving funny, I'm onto her bestie

Like, she tryna come have a dance off
