

# Cry

M. Ward

You don't know how to ease my pain  
You don't know  
You don't know how to ease my pain  
You don't know what the sound is darling  
That's the sound of my tears falling  
Or is it the rain? (Rain)

You don't know how to play the game  
And you cheat, and you lie  
You don't even know how to say goodbye  
You make me wanna cry  
You make me wanna cry

You don't know what the sound is darling  
That's the sound of my tears falling  
And if you can't hear any voices crying  
Then that's the sound of our love dying  
Now here comes the rain (aaaah)  
Yeah here comes the rain (aaaah)

You don't know how to play the game  
And you cheat, you lie  
You don't even know how to say goodbye  
You make me wanna cry  
You make me wanna cry  
You make me wanna cry

This is the last time (Cry)  
You ever make me cry (Cry)  
Cry  
Cry  
Cry  
Cry
