

Dead Man

M. Ward

Dead man, dead man don't cry
Dead man, dead man don't cry, don't cry,
When you die it ain't the end,
it ain't the end when you die.

Dead man, dead man be brave
Dead man, dead man be brave, be brave,
You shall be saved by and by,
by and by you shall be saved.

Dead man, dead man believe
Dead man, dead man believe, believe,
You're a free man at last,
at last dead man you are free.

Dead man, dead man don't cry
Dead man, dead man don't cry, don't cry,
When you die it ain't the end,
it ain't the end when you die.
