

dedication hour

M. Ward

This one goes straight to my head
Radio see through, it's true
It's dedication hour
This one's dedicated to you

All you hear is all I am
Just a clue as to who, who I'll be
It's dedication hour
When you dedicated
I knew we made it
'Cause you sent out this one to me

This groove goes straight to my head
So pour me one more red
And I'll make the next one blue
And I'll dedicate it to you
