

Easy To Remember

M. Ward

Each little moment
Is clear before me
And though it brings me regret
It's easy to remember
But so hard to forget

And I can still hear you whisper
"I'll always love you"
I know it's over and yet
It's easy to remember
But so hard to forget

So I must dream
To have you here beside me
Memories hold me tight
And I'd rather dream
Than have that lonely feeling
Stealing through the night
And your sweet expression
The smile you gave me
The way you looked when we met
But it's easy to remember
And so hard to forget
