

## engine 5

M. Ward

When you blown out on the freeway  
And your wheels have rolled away  
And you're crawling from the wreckage  
And your world's gone up in flames

Signal out to station  
Station, signal out to me  
Can you hear my siren wailing?  
I come to peel you off the street

Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio  
Yeah, Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio, yeah

When there's panic on your shoulder  
And no feeling in your feet  
See my number 5 in gold and  
Look to the light  
Look to the light

Signal out to station  
Station, signal out to me  
Can't you hear my siren wailing?  
I come to peel you off the street

Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio  
Yeah, Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio

Yeah, Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio  
Yeah, Engine 5 rising up the 101  
Highway to the sun  
Stay with me on the radio
