

lifeline

M. Ward

Met my future self in the mirror
He said, "Only you can save us now"

So I'll say it out loud
In a crowded room
At the top of my lungs
"I want you to know I love you so
But I need you to be a lifeline for me
And if you could be a lifeline for me
I'll be a lifeline for you someday, you'll see
And I won't let go"
I won't let go
And I won't let go

Hanging off the edge of a canyon
Or maybe you just can't seem to climb out of bed

I'll say it again
In the lion's den
Of your daddy's house
"I want you to know I love you so
And I need you to be a lifeline for me
I need you to be a lifeline for me
And if you could be a life line for me
I'll be a lifeline for you someday, you'll see
And I won't let go"
I won't let go
And I won't let go
And I won't let go
I won't let go, no, I won't let go

I won't, I won't let go
I won't, I won't let go
