

## Poor Boy, Minor Key

**M. Ward**

poor boy  
head against a pillow  
fast asleep  
poor girl  
head against a window  
lost in a dream

one day they will be as giants  
stronger than the sun  
but that day ain't yet come

wide world  
wide world of sorrow  
won't stand a chance  
wide world  
wide world of sorrow  
won't stand a chance

one day they will be as giants  
stronger than the sun  
but that day ain't yet come
