Wild Minds

M. Ward

Some women wait for Jesus
Some women wait for John
Some women wait in the USA
Some seal their lips for all Babylon

Some women wait for Peter
Some women wait for Paul
Some women wait for Tom Dick or Harry
Some women don't wait at all

Once I was fooled by beauty
Once I was fooled by cool
Once I was fooled by a child of 2 & 20
Once I was even fooled by a fool

Some women don't wait for no comet(?)
Some women will wait for all time
Some women will wait for sun to finally black out
Some women just need a little moonshine
To set of their wild wild minds.
