

# You've Changed

**M. Ward**

You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart  
It's all over now, you've changed

You've changed  
Your kisses now are so blasé  
You're bored with life in every way  
You're breaking my heart, you've changed  
You've forgotten the words, "I love you"  
And each memory that we've shared, no  
You ignore every star above you  
I can't realize you've ever cared  
You've changed

You're not the angel I once knew  
No need to tell me that we're through  
It's all over now, yes, it's all over now  
It's all over now, you've changed  
You've changed
