

## Bad Behaviour

Mabel

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
(On my bad behaviour)

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah

Don't get me faded  
Don't play my favourite  
If you don't wanna see me acting like a fool  
If you can't keep up with my bad behaviour  
You can't contain me  
Every time I'm up, I run around you  
You know you can't keep up

They ask if it's my birthday  
Say what we celebratin'  
Everybody dance around me  
Dance around me  
Hmm  
The whole room looking my way  
'Cause the afterparty's my place  
I got 'em all around me, all around me  
Hmm

Don't wait, not a minute  
We here, no limit, no pressure baby  
Can't dip, now we in it  
It's gonna be a good one  
Now we're no pressure baby  
I was unruly when you met me  
You just have to accept it  
And if you can't handle it

Don't get me faded  
Don't play my favourite  
If you don't wanna see me acting like a fool  
If you can't keep up with my bad behaviour  
You can't contain me  
Every time I'm up  
I run around you  
You know you can't keep up with my bad behaviour

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
(On my bad behaviour)

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah

(On my bad behaviour)

On you, all the drinks are on you  
You know how I like to  
So dance around me, dance around me  
Don't need a real occasion  
'Cause if there isn't then I'll make one  
Don't you know about me, know about me  
Mmm

Don't wait, not a minute  
We here, no limit, no pressure baby  
Can't dip, now we in it  
It's gonna be a good one  
Now we're no pressure baby  
I was unruly when you met me  
You just have to accept it  
And if you can't handle it

Don't get me faded  
Don't play my favourite  
If you don't wanna see me acting like a fool  
If you can't keep up with my bad behaviour  
You can't contain me  
Every time I'm up  
I run around you  
You know you can't keep up with my bad behaviour

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
(On my bad behaviour)

Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah  
Nah, nah, nah, nah, nah

No, I don't mean to tease ya  
But I'm not a people pleaser  
No, I don't need a reason  
Not doing it for you  
I'm just doing it for me yeah

No, I don't mean to tease ya  
But I'm not a people pleaser  
No, I don't need a reason  
Not doing it for you
