

# Boyfriend

Mabel

I've been looking for somebody  
Tryna kick it with somebody  
I need a rude boy to tell me something sweet  
Same time got his hands up on my body  
I wanna get high when he take it low-low  
Make me feel strong when I'm taking control  
I've been looking for my shawty  
So come and get it if you got it

All my girls 'round the world, I know you know what I mean  
I get a little sexy when I'm lonely  
One thing on my mind, I know what I need  
All my girls 'round the world, hands up and sing it with me  
'Cause everything I got, you know it's all me  
Even though a man ain't something I need

I want a boyfriend, so put it on me  
I'm looking for a man who can take that heat  
Want a boyfriend, but not too sweet  
My baby gotta be tough while he running that street  
Is he ride or die?  
I've been looking so long for a guy to turn me on  
I want a boyfriend, yeah, yeah  
I want a boyfriend, yeah  
I been looking like

Where you at, where you at?  
Where you at, where you at?  
Where you at, where you at?  
Where you at, where you at?

I need you and me together  
I ain't looking for forever  
I had so much stress from my ex to the next  
Want you better, love me better  
I need a bad boy that don't bring me drama  
He ain't tryna roll when he get the nah-nah  
Boy you ready for the pleasure?  
And don't you know it's now or never

All my girls 'round the world, I know you know what I mean  
I get a little sexy when I'm lonely  
One thing on my mind, I know what I need  
All my girls 'round the world, hands up and sing it with me  
'Cause everything I got, you know it's all me  
Even though a man ain't something I need
