Huh?

I need you to stay
Nothing crazy, let's just conversate (Eh, eh, eh, eh, eh, eh)
Let's not behave
The way you talk is like a sweet escape (Eh, eh, eh, eh, eh, eh)

I just wanna get to know ya (Know ya)
More and more, let me explore ya (Explore ya)
You adore me I adore ya
So, tell me what you're sayin'

I just wanna talk to ya
Chat, chat, chat, chat, chat till it's over
I just wanna talk to ya
Chat, chat, chat, chat, chat till the morning
I just wanna talk to ya
Chat, chat, chat, chat, chat till it's over
I like the way you talk to me
Every word you speak, oh

Mm
Chat, chat, chat, chat
Mm
Chat, chat, chat, chat
Mm
Chat, chat, chat, chat
Mm
Chat, chat, chat, chat

Eight days a week and twenty-five hours a day
Not enough time for the things you do, the things you say
Wanna remember us this way
I'ma find a way I can save all the memories of us
For later (Eh, eh, eh, eh, eh, eh)

I just wanna get to know ya (Know ya)
More and more, let me explore ya (Explore ya)
You adore me I adore ya
So, tell me what you're sayin'

I just wanna talk to ya
Chat, chat, chat, chat, chat till it's over
I just wanna talk to ya
Chat, chat, chat, chat, chat till the morning
I just wanna talk to ya
Chat, chat, chat, chat, chat till it's over
I like the way you talk to me
Every word you speak, oh

Mm
Chat, chat, chat, chat (Oh)

Chat, chat, chat, chat
