Mabel

Shoulda known I'm the one
Shoulda known I'm a wonder
'Cause he had no clue I'd do it like that
Don't be so surprised when I put it on ya
'Cause it's about the time you met your match

You been looking in the wrong places
Kissing all the wrong faces
And you need you a girl who does it right, mmm
I embody that good feeling
Show you the true meaning
So if you need someone to blow your mind

Look at me 'cause I'm the definition of a good girl, bad bitch
Nothing like your average
Something like a savage
Look no further, I'm the definition of legendary
Extraordinary, check your dictionary
You'll see me 'cause I'm the definition of a boss

No cap, I'm a dime piece
Top, top tier, baby, realise
I know what I want (I know what I want)
And I know what I need (Need)
So it ain't too hard to verbalise

You been looking in the wrong places
Kissing all the wrong faces
And you need you a girl who does it right, mmm
I embody that good feeling
Show you the true meaning
So if you need someone to blow your mind
