

**LOL**

**Mabel**

Got you out here, dehydrated  
So damn thirsty and frustrated  
Oh, I can't help you  
But hope you make it, oh  
Checking on me, my location

Wouldn't you like to know?  
Wouldn't you like to know  
Who's sharing my bed tonight?  
Well baby, that don't concern you  
Where were your feelings for me  
When I had that feeling for you?  
The tables have turned around  
I'll tell you who's laughing now

Now you're down, soon as I'm up  
Oh, you wanna talk, boy, now you wanna love  
Since you left, feels so right  
Oh no, no, no, never back in my life  
Oh my God, six missed calls  
And I don't even miss you at all  
You hit me with a 'hope you're well'  
And all I could reply is

L-O, L-O-L, L-O-L  
L-O, L-O-L, L-O-L

So confusing ain't it, baby?  
Broke my heart but now you're crazy  
Oh, dedication, you'd ignore me  
Oh, I don't need you, and I love that for me

Wouldn't you like to know?  
Wouldn't you like to know  
Who's sharing my bed tonight? (Tonight)  
Well baby, that don't concern you  
Where were your feelings for me  
When I had that feeling for you?  
The tables have turned around  
I'll tell you who's laughing now

Now you're down, soon as I'm up

L-O, L-O-L, L-O-L  
L-O, L-O-L, L-O-L  
L-O, L-O-L, L-O-L

Wouldn't you like to know  
Who's taking me home tonight?

Wouldn't you like to know?  
Whose hands on my waist line, date night, got me feeling so alive  
Wouldn't you like to know?  
You could tell another girl come find you  
But you know she'll never do it like I do  
I'm sweet, you're salty on me  
Look who's crying now

Now you're down, soon as I'm up  
Oh, you wanna talk, boy, now you wanna love  
Since you left, feels so right  
Oh no, no, no, never back in my life  
Oh my God, six missed calls
