

Put Your Name on It

Mabel

I need you to know that I'm special
You won't find anything like it, don't settle
And I see that you have the potential
'Cause no others have been successful

No drama, I'm too busy
Did that cross your mind?
Own it, you know my worth
Put in overtime
Jealous girls around me
They just want what's mine
Own it, you know what I'm worth

So you better put your name on it
Better play the game for it
'Cause these opportunities don't come easily
Look what we could be
So you better put your name on it
Who better you name for it?
'Cause these opportunities don't come easily
So you better put your name on it, name on it

Baby, tell me what's the latest?
'Cause I don't have an endless supply of patience
Na, na, na
I don't plan on waiting for you (Na, na)
With everything I have to do (Na, na)
Come through
Prove you can back everything that you're saying (Saying)

No drama, I'm too busy
Did that cross your mind?
Own it, you know my worth
Put in overtime
Jealous girls around me
They just want what's mine
Own it, you know what I'm worth (Oh, oh)

So you better put your name on it
Better play the game for it
'Cause these opportunities don't come easily
Look what we could be
So you better put your name on it
Who better you name for it?
'Cause these opportunities don't come easily
So you better put your name on it, name on it

Na, na, na
Na, na, na
Na, na, na
Name on it, name on it
Na, na, na
Na, na, na
Na, na, na
Name on it, name on it

Mm

Mm-mm

So you better put your name on it

Usually, I never call up
Textin', hopin' that you miss me
Snapchat, I see you in the city
Phone call, askin' me if I'm free, yeah
You should come through
I give you some time
You can prove that you learnin'
That you want me, that you want me

So you better put your name on it
Better play the game for it
'Cause these opportunities don't come easily
Look what we could be
So you better put your name on it
Who better you name for it?
'Cause these opportunities don't come easily
So you better put your name on it, name on it

Name on it (Na, na, na)
Better play the game for it (Na, na, na)
'Cause these opportunities don't come easily
Look what we could be
Name on it, name on it
So you better put your name on it (Na, na, na)
Who better you name for it? (Na, na, na)
'Cause these opportunities don't come easily
So you better put your name on it, name on it

No, no, no
No, no, no
Name on it, name on it
Yeah
Ooh, ooh
Name on it, name on it
