

# Stupid Dumb

Mabel

I've been going all stupid for you  
(Been goin' stupid dumb)  
Fuck it, I'm gonna lose it for you  
(Fuck around, lose it all)  
We already dialling (Diallin')  
Only two of us but we wildin', my love, yeah

I see things the way you see things  
Syncopated rhythms that we breathin  
Had a lot of creeps up on me  
Only wanna keeps up with me  
Ain't no logic to it  
But we keep it on lock

Changin' in love seat  
Two bodies movies  
You're the exception now I  
Found me a new kiss  
Paint me like music  
Go on and use it  
You're the exception 'cause I  
Don't really do this

I've been going all stupid for you  
(Been goin' stupid dumb)  
Fuck it, I'm gonna lose it for you  
(Fuck around, lose it all)  
We already dialling (Diallin')  
Heartstrings got me like a violin, my love (Ayy)  
She gon' let me dive in (Dive in)  
Jetski as she ridin', my love

Ayy, ayy, ayy, ayy, ayy  
Stupid dumb  
Ayy, ayy, ayy, ayy, ayy  
Stupid dumb  
We already dialling (Diallin')  
Heartstrings got me like a violin, my love (Ayy)  
Goin' stupid dumb

Tell the truth, can't feel my face  
Just say less and use more tongue (More tongue)  
You tell me how it tastes  
I'll beat it up like a 101  
Lambo truck and it's parked out front  
Came a long way so we always stunned (Stunned)  
Teach you how to roll J's 'cause I don't do blunts  
She a tenent lil' mama, an official  
She blowin' it back, got me blowin' a whistle  
As soon as I left, shawty textin', "I miss you"  
These diamonds, they wet, they like doin' some tissue  
Tats on my skin to show what I've been through  
Been goin' in, we met, it's less simple  
And before she gave me that body I had to get all in the mix

I've been going all stupid for you  
(Been goin' stupid dumb)

Fuck it, I'm gonna lose it for you  
(Fuck around, lose it all)  
We already dialling (Diallin')  
Heartstrings got me like a violin, my love (Ayy)  
She gon' let me dive in (Dive in)  
Jetski as she ridin', my love

Ayy, ayy, ayy, ayy, ayy  
Stupid dumb  
Ayy, ayy, ayy, ayy, ayy  
Stupid dumb  
We already dialling (Diallin')  
Heartstrings got me like a violin, my love (Ayy)  
Goin' stupid dumb
