Mabel

Oh yeah, yeah, yeah
Put your money on her
Put your money on her

Soft to touch
She got her eyes on us
She's out of luck on love
She's into darker stuff
She's looking left and right
She knows she's cold as ice
She's out of luck on love
She's into darker stuff

'Cause she's an animal
Animal
She's an animal
Animal
Animal

She gon' eat you up tonight
You gon' need her love for life
(Ani-, ani-, ani-, animal)
She gon' give it to ya
(Ani-, ani-, ani-, animal)
Let's go wild tonight
(Ani-, ani-, ani-, animal)
Is you coming home with her?
'Bout to make a grown man purr

You know she don't play nice
She got an appetite
She comes alive at night
She got a hazel eye
She had to pay the price
To live the life she needs
But little did you know
That girl is me

Bitch, I'm an animal
Animal
I'm an animal
Animal
Animal

She gon' eat you up tonight
You gon' need her love for life
(Ani-, ani-, ani-, animal)
She gon' give it to ya
(Ani-, ani-, ani-, animal)
Let's go wild tonight
(Ani-, ani-, ani-, animal)
Is you coming home with her?
'Bout to make a grown man purr

She gon' eat you up tonight
You gon' need her love for life

She gon' eat you up tonight
You gon' need her love for life
(Ani-, ani-, ani-, animal)
She gon' give it to ya
(Ani-, ani-, ani-, animal)
Let's go wild tonight
(Ani-, ani-, ani-, animal)
Is you coming home with her?
'Bout to make a grown man purr
