Bum Bum

Mabel

```
I see you tonight
You bring me to life
And groove let the music's gonna in me
Hi baby let's me free
I feelin' tonight
I'm better than life
Romantic, crazy, beautiful and true
So only I need you...

Bum Bum...

So give me sometimes
I'm loosin' my mind
And groove let the music's gonna in me
Hi baby let's me free
I dreamin' to find
This love of mind
Romantic, crazy, beautiful and true
So only I need you...

Bum Bum...
```
