Crying On The Dance Floor

Mabel

[Intro]
No teardrops on the dancefloor, not tonight
Yeah, you're way too beautiful, yeah
Wife material, I'm for real
Diamonds don't compare to how you shine

[Verse 1]
No, I ain't never gonna let you fall
So let me pick you up at nine, yeah
Wear that dress, one that's red
Trust me, I'ma take you on a ride

[Refrain]
Yeah, I'll get on your level, rearrange your schedule
Show you that you're special when you forget
I'ma take a sad girl, turn her into a bad girl
Even at your worst, you're better than the rest

[Pre-Chorus]
Find someone to kiss tonight
Underneath the flashing lights
We gon' have the time of our lives
Go on, kiss the past goodbye
I'ma make you feel alive
Let me see that fire in your eyes

[Chorus]
Ain't no crying on the dancefloor
Dance for me, dance
Ain't no crying on the dancefloor
Dance for me, dance
Baby, this is what we came for
Dance for me, dance
Ain't no crying on the dancefloor
Dance for me, dance for me

[Verse 2]
Yeah, no drama in the bathroom, not tonight
That would be so typical, yeah (Oh yeah)
Know your worth, you deserve
Every single star that's in the sky

[Refrain]
Yeah, I'll get on your level, rearrange your schedule
Show you that you're special when you forget
I'ma take a sad girl, turn her into a bad girl
Even at your worst, you're better than the rest

[Pre-Chorus]
Find someone to kiss tonight
Underneath the flashing lights
We gon' have the time of our lives (Of our lives)
Go on, kiss the past goodbye
I'ma make you feel alive
Let me see that fire in your eyes

[Chorus]

Ain't no crying on the dancefloor
Dance for me, dance
Ain't no crying on the dancefloor
Dance for me, dance
Baby, this is what we came for
Dance for me, dance
Ain't no crying on the dancefloor
Dance for me
Ain't no crying on the dancefloor (Dance for me, Dance for me)
Ain't no crying on the dancefloor (Dance for me, Dance for me)
Baby, this is what we came for (Dance for me, Dance for me)
No crying on the dancefloor
Dance for me, dance for me

[Bridge]
No teardrops on the dancefloor, not tonight

[Outro]
Dance for me, dance
Dance for me, dance
Dance for me, dance
Dance for me, dance for me
Dance for me
Dance for me, dance (Dance for me, dance for me)
Dance for me, dance
Dance for me, dance for me
