

# High Expectations (Outro)

Mabel

Can't see this ending in friendship  
I know you got positive intentions  
And you won't ever let me down  
(You won't ever let me down)  
No, you could never let me down  
(You could never let me down)  
Show me that's not impossible

Make mountains move  
(I'll make 'em move  
I'll make 'em move  
I'll make 'em move away)  
That's all I want from you  
(That's all I want  
That's all I want  
That's all I want from you)  
More than you can do  
(More than you can  
More than you can  
More than you can do)  
That's all I want from you

Won't be easy for ya  
But you gon' have to take it  
I'ma treat you good  
But you need to elevate it  
You should know  
That I've got high expectations, ah  
You gonna have to get this right (Ooh, oh-na-na)  
You gonna have to get this (Ooh, oh-na-na)  
You gonna have to get this right (Ooh, oh-na-na)  
I got high expectations, ah  
You gonna have to get this right

The higher up we go and the farther we climbin'  
The more there is to lose  
I can see the sky, we so close now, we flyin'  
There's so much more to lose  
The higher up we go and the farther we climbin'  
The more there is to lose  
And I can see the sky, we so close now, we flyin'  
But there's so much more to lose, mmm  
(There's so much more to lose)  
But as long as I got you  
(But as long as I got you)
