

Lol

Mabel

Got you out here, dehydrated
So damn thirsty and frustrated
Oh, I can't help you, but hope you make it
Oh, checking on me, my location

Wouldn't you like to know?
Wouldn't you like to know who's sharing my bed tonight?
Well, baby, that don't concern you
Where were your feelings for me when I had that feeling for you?
The tables have turned around
I'll tell you who's laughing now

Now you're down, soon as I'm up
Oh, you wanna talk, boy, now you want love
Since you left, feels so right
Oh, no, no, no, never back in my life
Oh my god, six missed calls
And I don't even miss you at all
You hit me with a "Hope you're well", and all I can reply is

L-O-L-O-L, L-O-L
L-O-L-O-L, L-O-L

So confusing, ain't it, baby?
Broke my heart but now you're crazy
Oh, dedication, you'd ignore me
Oh, I don't need you and I love that for me

Wouldn't you like to know? (Like to know)
Wouldn't you like to know who's sharing my bed tonight? (Tonight)
Well, baby, that don't concern you
Where were your feelings for me when I had that feeling for you?
The tables have turned around
I'll tell you who's laughing now

Now you're down, soon as I'm up

Oh, you wanna talk, boy, now you want love
Since you left, feels so right
Oh, no, no, no, never back in my life
Oh my god, six missed calls
And I don't even miss you at all
You hit me with a "Hope you're well", and all I can reply is

L-O-L-O-L, L-O-L
L-O-L-O-L, L-O-L
L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)
L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)

Wouldn't you like to know, oh, who's taking me home tonight?
Wouldn't you like to know whose hands on my waist line
Date night, got me feeling so alive
Wouldn't you like to know?
You could tell another girl come find you
But you know she'll never do it like I do
I'm sweet, you're salty on me
Look who's crying now

Now you're down, soon as I'm up
Oh, you wanna talk, boy, now you want love
Since you left, feels so right
Oh, no, no, no, never back in my life
Oh my god, six missed calls
And I don't even miss you at all
You hit me with a "Hope you're well", and all I can reply is

L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)
L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)
L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)
L-O-L-O-L, L-O-L (Yeah, yeah, yeah, yeah, yeah)
