

## Take It Home

Mabel

Lights, camera, action  
Star of this attraction  
Whenever you need me I come running  
I'm your champion  
You know that I got you  
Call me, I'ma come through  
I can break a promise, but I swear to God  
I love you

It's true that yes baby I  
Want you 100 all the time  
If you need someone by your side  
Well you know what you should do yeah

Baby come come now  
Pick it up, up, up  
If you wanna take it home  
Baby come, come now  
With your love, love, love  
If you wanna take it home  
Where do we come  
Where do we go  
Baby right nah, nah, nah  
Where do we come  
Where do we go

Run it, run it, come let's go  
'Cause you and me unstoppable  
And oh, if you're in let me know

It's true that yes baby I  
Want you 100 all the time

If you need someone by your side  
Well you know what you should do yeah

Baby come come now  
Pick it up, up, up  
If you wanna take it home  
Baby come come now  
With your love, love, love  
If you wanna take it home  
Where do we come  
Where do we go  
Baby right nah, nah, nah  
Where do we come  
Where do we go

It's true, I'm done with playing by them rules  
With you  
'Cause I already did that  
Oooh  
Together we can't lose  
Well you know  
What you should do yeah

Baby come come now

Pick it up, up, up  
If you wanna take it home  
Baby come come now  
With your love, love, love  
If you wanna take it home  
Where do we come  
Where do we go  
Baby right nah, nah, nah  
Where do we come  
Where do we go
